herefore uped the prohibitory constitutional amendment.

WENDELL PUILLEY said it was essentially a difference
of phrasology, and not as to the doom which should
be visited upon alwayer, that shed prevailed in the discussions.
It was then voted, on motion of Mr. QUINCY, to commit the resolution to the Business Committee, to he reported to-more unersing.

BEFORE THE DOOR.

FROM TOE GERMAN OF RUECKS

Stood there already seventeen men.

At the castle of Honor the porter ne'er stirs:

"Here enter but those who wear goldon span
Of Poverty not the cot I songht;
Of pain were the sounds from within I canght
The shade of Content to find I tried;
No one shew of it, far and wide.

One still, small house I from - one more;
Weary I sand the door hefore.

Let me knock! true, dwelleth here many a guest For many, though, yet this house bath rest. mbridge, Mass.
